

UNITED JUNIOR SOCCER LEAGUE
2011 REGISTRATION

Registration for the 2011-2012 fall seasons will be done differently this year. All materials will be dropped off, in a box at the downstairs door at 3980 Stevenson Street -- No later than – SUNDAY – AUGUST 28, 2011. You will receive a phone call or email once your package is done for pickup. Any team who does not drop off by the August 28th deadline will be fined a late fee of \$25.00. By August 15th, your club will notify us, when to freeze the rosters. Once they are frozen, your club will inform you that you can now go in and print your RG6's, passes and rosters. When that is completed, the rosters will remain frozen until league approval. The rosters will open up again for adds, releases and transfers. A PS1 is now required along with the fee. This will not be done, no other way. Hopefully, by now, you have started the getsoccer online registration. You can register by mail. Please enclose a self addressed stamped envelope with the proper postage (usually around \$3.00). Teams going to early tournaments please do not wait until the last minute to start the process. Be sure the pictures are secured and the information for each player is correct. Coaches, you will need passes with pictures also.

Secondary teams will need to submit, a copy of the team roster stamped by your primary league by August 28, 2011.

Rosters WILL remain open for the season, after the freeze is lifted, for adds, releases and transfers. The rosters will be frozen as indicated by the State Office for Cup play. Remember, 5 transfers only. There is a 15.00 transaction fee for all changes. A new roster must be submitted each time you make an adjustment to your roster along with the player's information/pass.

What You Need To Drop Off For Registration –

Rosters, player passes signed by the players – clearly and legible – proof of age, Birth certificate, passport copy and the previous years pass. Pictures are to be on the left hand side of the pass above the signature. Print and save the RG6 forms. We do not want the blue portion of the pass (Membership card). We only need the white portion.

A copy of your insurance policy/plan if you DO NOT HAVE EPYSA Insurance.

Ref fees and length of game will be included at the top portion of your schedule.

I know, some are having trouble with the new online registration. We are too! So, together, we can get through this. Please feel free to call me at 215-281-9247 or email Jaminam@aol.com should you have any questions or concerns.

There is a guide, online at the gotsoccer website that may be of help to. Once this is done, you only update the following year, as in the past with the other program. Good luck!

Yours in soccer.
